Political Science AA-T

The Associate in Arts in Political Science for Transfer degree is designed to provide the opportunity to achieve an associate degree in the student’s area of specialization. The Associate in Arts in Political Science for Transfer degree is designed to prepare students for a seamless transfer into the CSU system to complete a baccalaureate degree in Political Science or similar major. While a baccalaureate degree is recommended preparation for those considering professional careers in this field, the completion of this program will demonstrate commitment to the field, and provide comprehensive preparation for upper division work. Upon completion of the Associate in Arts in Political Science for Transfer degree requirements, students will begin preparation for careers such as teaching, law, local, state, and federal government, and group advocacy.

Program Student Learning Outcomes

Upon completion of the program, students will be able to:

- demonstrate the ability to research and write papers or essays without bias
- demonstrate an understanding of what is the purpose of government.
- demonstrate an understanding of how governments interact with each other.
- identify between the different ideologies within the united states and around the world.
- identify the different types of governments around the world.
