# **EMT - Paramedic**

### **EMT - Paramedic AS and Certificate of Achievement**

The Paramedic Program is a comprehensive lecture, lab and field training program to produce competent, entry level paramedics to serve in career and volunteer positions in the Central San Joaquin Valley. Our Paramedic Program meets and exceeds regulations in the California Code of Regulations Title 22, Division 9, Chapter 4. This program meets all the objectives of the United States Department of Transportation's 1998 Emergency Medical Technician-Paramedic National Standard Curriculum as well as the 2009 National Emergency Medical Services Education Standards for Paramedics.

Graduates will earn a Certificate of Achievement and be eligible to sit for certification by the National Registry of Emergency Medical Technicians. This program also meets the major requirements for an Associate Degree in EMT-Paramedic when required GE courses are completed.

#### **Program Learning Student Outcomes**

Upon completion of the program, students will be able to:

- · demonstrate a complete pre-hospital patient assessment and management of a trauma and medical patient.
- demonstrate a complete pre-hospital patient assessment and management of a cardiac arrest patient.
