

Transfer Studies – Full Intersegmental General Education Transfer (IGETC) Curriculum Certification: UC

Transfer Studies – Full IGETC Certification: UC, Certificate of Achievement

The Intersegmental General Education Transfer Curriculum (IGETC) Full Certification for University of California (UC) provides students the ability to fulfill in-state, public university lower-division general education requirements before transferring. It is strongly recommended that students complete the IGETC prior to transfer to allow more flexibility in class selection at the university and timely progress to degree completion. All UC campuses will accept the completed IGETC to satisfy all lower-division general education requirements, however, individual colleges or majors within a UC campus may not accept IGETC for meeting general education.

Upon completion of the Transfer Studies - Full IGETC Certification: UC, the student will be able to:

- Demonstrate critical thinking through literary works and written compositions.
- Utilize quantitative analysis and have the ability to use and criticize quantitative arguments.
- Analyze works of philosophical, historical, literary, aesthetic and cultural importance.
- Examine social and behavioral perspectives in their contemporary, historical, and geographical settings.
