How many weeks did you prepare for this exam: _____

How do you know at this time you are prepared to take the exam to be successful to obtain the 62% required: _____

- I understand that if I do not pass the TEAS exam, I will be asked to meet with the Nursing Program Director for a remediation plan prior to retaking the exam a second time (exam cost after the free exam is at the student's expense).
- I understand most programs limit TEAS test attempts to 2 attempts only with specific number of days in between attempts. (ie..COS 45 days between attempts and FCC 90 days between attempts)
- I will submit my one free TEAS score transcript to "West Hills CC" as the LC nursing program is required to report data on the free tests offered to students.
